

CLICK TO TALK

Boost call conversion rates.

Who's Calling®

Click To Talk is a cost-effective call tracking solution and communication tool that allows you to establish effective correspondence with your prospects and customers while generating new and recurring revenue.

Click To Talk allows any text, picture or graphic to be placed on your website or in your marketing emails. When the icon is clicked, a pop-up screen requests the caller's phone number. Once they enter their phone number and press the Click To Talk symbol, they are connected to the predefined destination.

The whisper feature announces to the recipient of a call where the call originated in order to track various marketing campaigns. that offers an unbeatable combination.

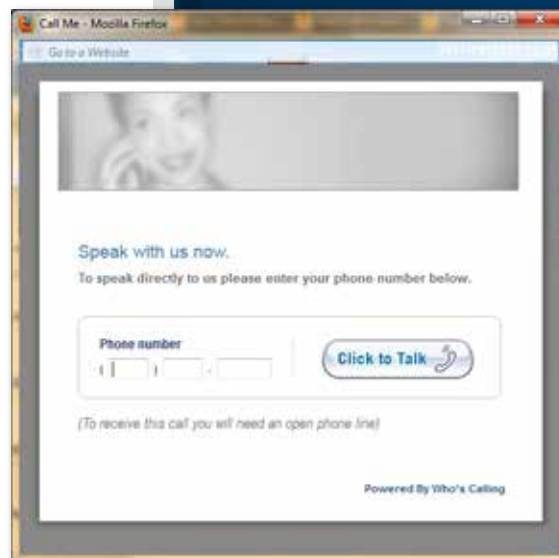

CLICK TO TALK PROMOTES INCREASED SALES THROUGH:

- Converting prospect activity into revenue opportunities
- Streamlining the connection between prospects and local representatives
- Improving tracking efforts and targeted marketing

Call tracking boosts conversion rates, eliminates non-producing and non-business-related sales calls and captures contact data from prospects. Our digital footprint and telephony system yield an advertising tracking solution reduces caller abandonment and strengthens customer loyalty by enhancing call convenience and satisfaction.
